Rise to the Challenge: a Memoir of Politics, Leadership, and Love

by Marlene Johnson

As Minnesota's first woman lieutenant governor, serving with Gov. Rudy Perpich, Marlene Johnson broke political ground and learned to navigate the patriarchal traditions embedded in the legislature, where she built on a long history of activism and involvement. She met her husband the same year and enjoyed a deeply loving 27-year relationship. *Rise to the Challenge* weaves these political and personal threads together in a courageous portrait of dedication and leadership.
